

RTO 22 Presents

A DAY IN NIAGARA

It's not just a tagline, Table Rock House Restaurant really is the closest you can dine to the Canadian Horseshoe Falls. Perched on the brink, enjoy their locally sourced and internationally inspired menu with the breathtaking Niagara Falls as your backdrop. Our next stop is the Niagara Floral Show House. Explore this garden oasis. With three main display houses, a stunning tropical foyer, and their "Life on Display" miniature village collection, you'll want to visit again and again. Don't miss their incredible collections of orchids, succulents, and other tropical plant species are on display year round. The Butterfly Conservatory is one of the largest glass-enclosed butterfly conservatories in North America. The conservatory features over 2,000 vibrantly coloured butterflies fluttering freely throughout winding pathways adorned with lush vegetation and trickling waterfalls.
